List past experiences you feel would qualify you as a candidate for the Board of Managers.

How do you feel that your participation on the Board of Managers will benefit the Association and do you have any specific goals in mind for the Association?

I promise that to the best of my ability I will attend all regular and special meetings of the St. Elmo Board of Managers in person or via conference call and will responsibly exercise the duties of a Board Member in the interests of the entire Condominium Association. I will read the last two years of the SECA board meetings. I will read and familiarize myself with current bylaws and the governing documents.
